Leadership Greater Nashua 2024-2025 Application

WHAT IS LEADERSHIP GREATER NASHUA? Leadership Greater Nashua (LGN) was founded in 1995 by a group of local business and community leaders who began asking, "Today, we know each other, and we know who we would need to bring to the table to help our community capitalize on an opportunity or overcome a crisis. Who will take our place in 25 years? Who will head our non-profit and civic organizations? Who will serve on those Boards? Do they know each other? Do they know our community?"

From those questions came a program designed to educate and connect emerging and established leaders through an in-depth look at Greater Nashua's economic, civic, and government sectors, a dialogue around critical issues and opportunities in the region, and exposure to experts and information within those areas. Since 1995, over 600 individuals have graduated from LGN with strong relationships poised to help enrich the fabric of our community, strengthen our resilience, and lead our future.

WHO SHOULD APPLY? The Chamber seeks emerging and established leaders from diverse sectors of the Greater Nashua community with a strong desire to build connections within the region so they may successfully assume leadership roles within their organization(s) and in their communities.

SELECTION: 30-35 cohorts from non-profit, education, the arts, business, government, community groups, etc. are selected based upon individual qualifications, balanced with a desire to create a diverse and stimulating class, and with a commitment to the communities of Greater Nashua.

Candidates must be willing to commit time and energy to LGN, including attending and actively participating in the opening retreat, each monthly class, and any required additional preparation time outside of session days. These individuals will hold or aspire to a leadership/management position within their organization and/or within the Greater Nashua community, with demonstrated existing leadership skills.

Applicants not selected in a given year are invited to reapply for a subsequent program year.

TUITION and PROGRAM COMMITMENT: Tuition for LGN is \$1,550 for Greater Nashua Chamber of Commerce members and \$1,850 for non-members. It includes all sessions, supportive materials, and meals on session days. Limited tuition assistance is available based on need and qualifications. Tuition is non-refundable. No individual may attend the initial session unless payment has been made in full.

To be eligible for the member tuition rate, an applicant's business/employer/community organization must be a member in good standing with the Greater Nashua Chamber of Commerce for the duration of the LGN program.

Instructions: Please fill out this application in its entirety [all fields are required]. All applications, including letter(s) of recommendation, resumes, answers to essay questions, and any requests for tuition assistance, must be received by **5:00pm on Monday, July 15, 2024**. Part of the application process includes an interview which will be scheduled after applications have been processed.
